## Curriculum Vitae

Joris Jan Willem Ploegmakers was born in Mill on June 27, 1976. In 1995 he finished high school (het Merlet college land van Cuijk) and started to study Medicine at the Catholic University of Nijmegen. Before starting his rotation as an intern he studied Movement Sciences part of Biomedical Healthcare Sciences. After his rotation he organised his scientific module at the University Medical Centre of Utrecht and graduated on October 25, 2002. As a resident Joris worked at the department of Orthopaedics in the Slootervaart Hospital, Amsterdam. Thereafter he solicited for the Orthopaedic training program in Groningen and got accepted. Before starting with the training program he worked as a researcher at the Orthopaedic department of the Isala Clinics, Zwolle and as a Orthopaedic resident in Medical Spectrum Twente, Enschede. Returning in Zwolle he started in 2005 as an orthopaedic trainee which was continued in the Medical Spectrum Twente, Enschede and the University Medical Center Groningen. Following his certification as an Orthopaedic Surgeon in 2010, he could stay in the UMCG for a hip arthroplasty revision fellowship, which was followed by an Upperlimb and Trauma fellowship in the Sir Charles Gairdner Hospital, Perth, West Australia. Since 2012 till present he is working as an Orthopaedic Surgeon dedicated to complex reconstruction in the treatment of orthopaedic-infection and -oncology in the University Medical Center of Groningen.
